Assignment Date: Week 11
Due Date: Week 12 (All Parts)

Assignment Objective

The purpose of this assignment is to provide additional validation to your project and improve the way the errors are displayed.

Your Task

1. Replace the MessageBox with an ErrorProvider. Display a single message from the Save button or modify the ErrorList to provide field specific data and distribute to the various Controls.

2. Enhance the Validation class you added in Part C to enforce the following additional business rules:

    a) CustomerCode must be exactly five uppercase alpha characters
    b) Postal Code for proper Canadian format

For all your code, be sure to:

* Comment your code intelligently (no need to comment the obvious)
